

ADDITIONAL INFORMATION

Access Information

The Conference has accessible meeting space. Sign language interpreters and documents in alternate formats will be available. The Conference will provide limited personal care attendant services. Participants requiring substantial assistance are asked to secure their own attendants.

Conference participants should keep in mind that some of our colleagues have chemical sensitivities to such things as scented personal care products and smoke. All would appreciate your thoughtful consideration. Smoking is prohibited.

Author Signing of *Raymond's Room*

Plenary session speaker Dale DeLio's new book, *Raymond's Room*, will be provided to all conference participants with registration materials. Be sure to take advantage of the opportunity to have your copy signed by the author. Time and location to be announced.

Story Tent

Conference attendees will have an opportunity to share their stories at the onsite "Story Tent," which will be staffed by videographers and interviewers from the Center on Aging and Community of the Indiana Institute on Disability and Community.

Come share your story. Every story is interesting, and every story is a worthwhile legacy for us all.

Annual Disability Poll

The third annual disability poll will provide an opportunity to share your ideas on important topics. Computers and tables will be set up in the registration area.

Continuing Education Units (CEUs)

The Conference has requested approval for continuing education units (CEUs) through the Indiana University School of Social Work.

Exhibitors and Door Prizes

Be sure to visit our exhibitors and get a chance to win a door prize! Once each exhibitor stamps the special card included with registration materials, write your name on it and turn it in. Drawings for door prizes will be conducted during lunch on both days.
